

LEARN & EARN CRAFT APPRENTICESHIP PROGRAM

Join team Lilly and take the **LEAP** into a promising future

Are you looking for a great career opportunity that allows you to earn full-time wages while working toward a **Journeyworker's Apprenticeship Certification** in one of the highest demand job areas in the nation—skilled trades? Get in on the ground floor with Lilly through a nationally registered Department of Labor Apprenticeship Program available to **recent high school graduates, skilled trades vocational students and people looking for a new career with great potential for the future.**

THE APPRENTICESHIP PROGRAM

Why consider an apprenticeship with Lilly?

- » Earn a Journeyworker's Certification in one of several skilled trades in a technical field, while gaining valuable on-the-job experience
- » Earn competitive wages both for time working and time taking your coursework
- » Education is paid for by the company or through federal or state grants
- » You will have great benefits such as health insurance, paid time off and a 401K savings plan
- » Build skills that are in high demand and are also useful in your personal life
- » Lilly provides a clean and safe work environment where you will be respected and included
- » We are committed to our customers, our employees and our community

ABOUT LILLY

Lilly unites caring with discovery to create medicines that make life better for people around the world. We are a global healthcare leader headquartered in Indianapolis, Indiana. Our 39,000+ employees around the world work to discover and bring life-changing medicines to those who need them. We're looking for people who are determined and share our mission. #WeAreLilly.
