Get Connected with Indy EAP

Indy EAP (Energy Assistance Program) assists individuals and families with the high costs of home energy. Income-eligible families are provided a one-time benefit paid to the utility company to offset the high cost of winter utility bills. The energy assistance benefit amount is based on household size, household income, type of dwelling, housing status, at-risk factors and fuel source.

To apply online visit <https://indyead.org>. **You MUST be able to take a picture or scan and upload required documents to apply online.**

Income eligibility for energy assistance benefits is limited to households with a combined three months of income noted in the chart on the right. Household income is the gross earned income (and other unearned income) received by all household members age 18 and above.

Household Size	Last 3 Months Household Income Must NOT EXCEED
1	\$6,954
2	\$9,096
